

CLINIC FEE ESTIMATES MEDICARE CARD HOLDERS

Patients with a Medicare card who are:

- aged under 21, or
- with a current Health Care, Disability or Pension Card, or
- with a valid full-time student card

Most appointments are bulk-billed – which means there will be no charge to you. However:

- we can provide you with an Implanon device at the same cost as the chemist (\$6.80 for concession cards or \$45 non-concession card).
- extra charges apply for IUDs and Medication Termination of Pregnancy but financial support is available to cover the costs if you can't pay. Please ask us about this.

Patients aged 21-24 without a concession card or student card
